

Logo submission instructions for the Vines & Vittles Website

To the sponsors, food, beer, wine, and craft vendors participating in the Rotary Club of Rancho Bernardo Foundation Vines and Vittles event, thank you for being a part of our event and helping us to help others. These instructions apply to anyone submitting a logo to the Vines & Vittles website.

We want to ensure that your business is well represented on our event website <https://vinesandvittlesfestival.com/> so this document describes how to provide us with a good quality copy of your business logo.
